

“His *motive* is to oppose the program and rule of God. His *method* is to foster rebellion against it.”

He Deceives ...

by **introducing** alternatives to the truth.

by **idealizing** alternatives to obedience.

He Disrupts...

by **infiltrating** the church to cause doubt and confusion.

by **inhibiting** the church, placing obstacles in her way.

He Destroys...

by **isolating** believers from the place of protection.

by **inciting** the world to persecute the faithful.
