Things to remember...

Be sure to review the following before each meeting.

- 1 Pray for them.**
*The key to spiritual power
—it weakens resistance.*
- 2 Find the right place; set the right time.**
*... a neutral place that is appropriate—check mood and look out for interruptions;
the time must be regular—no longer than 1 ½ hours.*
- 3 Be ready to meet pressing needs.**
*Be aware of their life situation
—always bring money.*
- 4 “LEAD” them.**
*Listen, empathize, ask, disclose;
ask open-ended questions and be sure to reassure.*
- 5 Teach them.**
*5 Steps: tell them why, show them how, get them started,
keep them going, have them pass it on.*
